For three years the halls of MHS have known the vibrance of school love, pride and undying support, created and perpetuated by the class of '66. As sophomores, they entered a new building and made it a school of memories. Without pausing, they gathered momentum during their junior year and burst on the scene as seniors. The first class to have attended MHS for three years, theirs is the class which has given the most of their time, energy and SPIRIT.

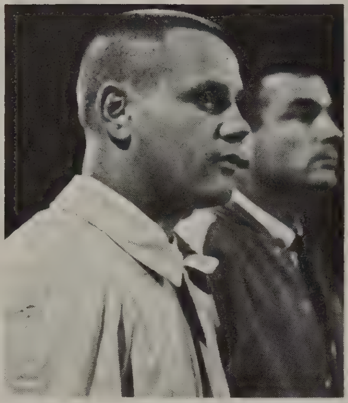
FOOTBALL



The football team has done a fine job this year. With only a few returning lettermen, they managed to muster up many exciting quarters of football.

The Chiefs started the season with a train full of rooters at Bellingham. Here they showed great potential everywhere except on the scoreboard. Their first score came in the game with Everett where John Fox threw a sixty yard touchdown pass to Ray Payne. Then, while on radio and in the heart of Seattle, their first victory was achieved in the O'Dea game. From there the spirit of victory was carried to the Terrace game and through Pep Week preceding the Homecoming game.

The Chiefs did a commendable job of representing MHS on and off the field, and they carried the true Meadowdale spirit with them always.

With a rich crop of returning lettermen, the Meadowdale Cross Country team had another successful season. The Chiefs opened with a second place finish in the Edmonds Invitational Meet, but bounced back to go undefeated until Conference. There, the Chiefs were beaten by a strong Terrace team but came back the next week, defeating Terrace and Snohomish and winning the Northwest District Title.

The strong Meadowdale Junior Varsity team capped off an undefeated season by taking the Western Conference J.V. crown, indicating a bright future for next year's runners.

Because of the many hours our song and cheer leaders have spent practicing, they have inspired our team and school onward to greater heights. Through the enthusiasm and spirit shown by our pep squad, they are well deserving of the honors they have received. This year our industrious songleaders were Susie Knouse, Sherry Groves, Billie Alguard, and Barbie Brown. Our inspiring cheerleaders were Patty McCormick, Teri Williams, and Connie Klebaum.

This year's Homecoming was marked by a special vibrance and air of enthusiasm at M.H.S. Countless students anxiously watched our fighting Chiefs battle the Edmonds Tigers in the last football game of the season. Then the excitement moved back to the school for the Homecoming dance. It was this year that Meadowdale welcomed back its first group of Homecoming graduates. A warm feeling was carried through the evening as old friendships were renewed. Added splendor was given to the night with the coronation of the 1965 Homecoming court. The queen, Anne Lager, and her four princesses, Linda Misuida, Sherry Groves, Patty McCormick, and Teri Williams, exquisitely represented the active spirit alive in everyone at M.H.S.

MEA DALE

IT'S A GIRL FROM

Through its fine efforts, the International Relations League brought M.H.S. a foreign exchange student from Cyprus. Balkas Teoman, a very intelligent, warm-hearted girl, has taken part in all IRL activities as well as other school functions. Through the year she has become a special friend to many of us, and we will always remember her. Yet, of greater importance, Balkas and her American sister, Beth Wright, have helped to foster a feeling of friendship and understanding between the people of Cyprus and America.

The members of the International Relations League have been very busy this year helping Balkas enjoy her visit at M.H.S. As usual, they have worked hard by sponsoring activities and fund raisers to earn money needed to bring a foreign student here next year. In addition, they have put out an extra effort to raise money to send a student from Meadowdale to a school in a foreign country in the near future.

As the months went by, I became familiar with American life and Americans. People in my country all think of Americans with great big houses, at least two cars and lots of money in the bank. We do not know the secrets of American life, and we cannot learn them without living in America. I must be lucky that I have found this opportunity. I am ready now to go back and try to show them what America is.

MESIKA

Advisors, Mrs. McCracken and Mr. Conrad, discuss plans for the annual.

An annual is a token of the past. This year's annual staff has worked hard to record memories of Meadowdale students. In our annual, ideas and activities are preserved for future years. The staff has spent long hours working to bring the school an outstanding yearbook. Thirteen students not only chose annual as a class, but also devoted their spare time to it. The memories contained in this book are the product of a dedicated staff.

The CHIEFTAIN is self-supporting; during the first ten weeks of the first semester, the CHIEFTAIN was able to purchase an electric typewriter from advertising receipts. The CHIEFTAIN has expanded from a four-page mimeographed paper to an offset publication of up to twelve pages, published twice monthly.

Advisor, Mrs. Koluda, discusses publication with Editor-in-Chief, Virginia Winn.

WE'LL IT AGAIN

The 1965-66 Meadowdale High School basketball team, coached by Mr. Phil Hull, made a good showing in one of the toughest leagues in the state. The team often made a better showing than their 7-13 record indicated.

After trouncing Lake Washington 50-39, the Chief basketballers went into a slump, dropping five straight. The Christmas season was good to the Chiefs. Leading off with a 76-64 victory over visiting Sedro Wooley, the Chiefs traveled to Edmonds, capturing the Holiday Tournament championship. The New Year saw the Chiefs defeating Terrace 57-41.

Dropping three close ones to Seattle Prep, Cascade, and arch rival Edmonds, the Chiefs bounced back to knock off Bellingham on the home boards. The Chiefs then faced Everett in one of the best games of the season, staying with the Western Conference champs nearly all the way before falling 77-66. After a close loss to Blanchet, the Chiefs beat Terrace in a hair-raising 55-47 game. After losing a hard fought game with Bellingham, the Chiefs fell before the Edmonds Tigers in a seesaw battle, and then dropped a close one to Cascade to end the season.

WRESTLING 1965-1966

Coach Cook urges his team on to victory during Terrace match.

The regular season for the Meadowdale wrestling team contained many high spots and ended in great success. Under the able guidance of Mr. Bruce Cook, assistant Mr. Terrance Johnson and led by undefeated Captain Steve Delong, the Chief wrestlers won 8, lost 3 and drew 1. Losing only one match against Bellingham and tying one in league competition, the team placed second in the Western Conference. One of the most thrilling matches of the year was a 24-24 tie with arch-rival Edmonds. With four returning lettermen and several experienced J.V. members, Meadowdale Senior High School will be well represented next year in wrestling.

This year, the Meadowdale wrestling squad climaxed its most successful season ever by winning the Western Conference subdistrict tournament. Earning four first places, the matmen scored 102 points to second place Bellingham's 78.

With this behind them, the eleven winners at subdistrict headed to Burlington-Edison for the district match, which was to decide the state berths. Here the Chiefs took 5th place and placed three boys and sent Steve Delong and Dave Zehrung to the state competition at Ellensburg.

At the state meet, Steve place 2nd in the 168 pound class and Dave, at 115 pounds, dropped only two matches in taking fourth place.

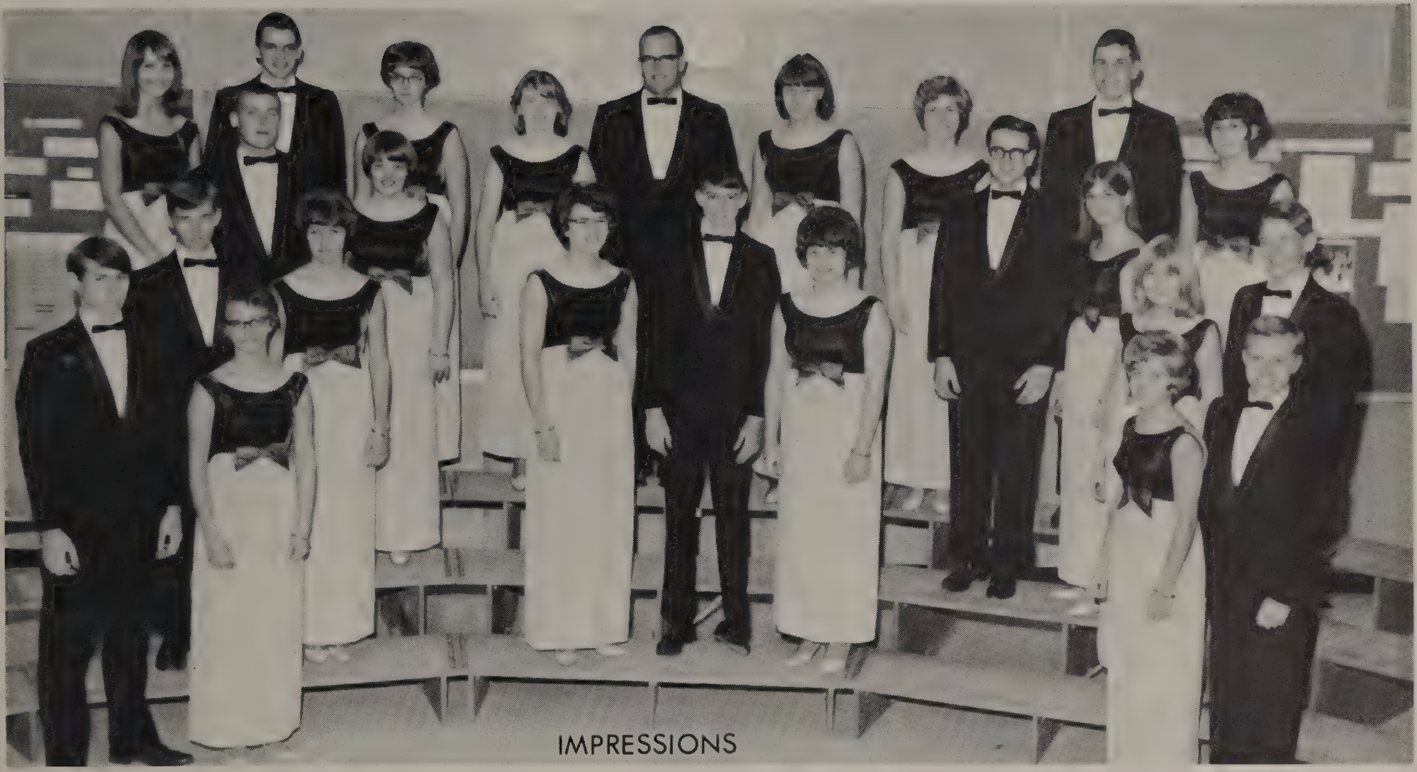
This year the school choir has been active in many respects. In addition to providing entertainment, they sponsored a fund raiser to provide money for their various musical events. A group of advanced vocalists, the choir has added enjoyment and relaxation to the musical concerts at M.H.S.



IMPRESSIONS

The Impressions, Meadowdale's select vocal group, have ably performed this year for school activities. By singing at out-of-school functions, they have become outstanding representatives of M.H.S. to the community. With ambition and stamina, they have devoted their spare time to one goal—to take a musical tour during spring vacation. The Impressions have not only brought us fine entertainment throughout the year, but they have been one of Meadowdale's best groups of good will ambassadors.

CHORUS

The school orchestra, under the direction of Mr. Koker, has provided Meadowdale High School with education and entertainment. Orchestra is a specialized class for these who wish to gain proficiency with musical instruments.

Mr. Burton is in charge of Meadowdale's marching concert and stage bands. These various bands provide entertainment at pep assemblies, games, and concerts. Our band has added great enjoyment to the 1965-1966 student activities at M.H.S.

UNDERWATER

BLUES

Blue and green angel hair caressed the sandy bottom of the sea at the Underwater Blues Tolo of 1965. From the rocky coral reefs, Ken Cloud's orchestra music floated tenderly among the dancing couples. A mysterious, white pillared Grecian city provided a place for cool, tingling refreshments. A sparkling jeweled cave entranced the couples as they entered the aquamarine atmosphere. Sunken ships from the pirateer era beheld glittering gems to the eye. Upon musty smelling nets, namecards in the shape of twin seahorses wavered. At twelve o'clock, a blue mist closed the marineland dream.

Tolo was not the only success the Girls' Club has had. Mother Goose is on the Loose was the delightful theme of the Big and Little Sister Banquet. Costumes ranged from Wee Willie Winkie to Mother Hubbard's dog. Later they will sponsor a movie, a father-daughter banquet, and the annual Mother-Daughter Tea.

The Girls' Club Advisors, Mrs. Scheel, Mrs. Mann, and Mrs. Meyers, have helped advise President Sue Harter; Vice-President Barb Norman; Secretary, Linda Dodge; and Corresponding Secretary and Treasurer, Barb Emel.

BOYS' CLUB

Boys' Club turned out to be quite successful in everything that was attempted. The annual can food drive was their major accomplishment. An out-door track meet is scheduled for the spring, and money has been raised for needy families. Active members of the club also worked in the concession stands. The main goal of Boys' Club is to leave enough money behind for a reader board. It is because of the deep dedication to the club and the hard work put forth by the active members and the officers that the club has done so much. The leaders were: Jim Davidson, president; Mike Monnahan, vice-president; Ted Nelson, secretary; and Dick Birkenbeul, sergeant-in-arms.

DRILL TEAM

Drill Team Captain: Sue McKinley and Co-Captain: Trish Salamonson with advisor Mrs. Gilson.

Meadowdale's 22-member drill team has shown the student body that despite their small number, their "go" has not diminished. On the contrary, the students have been proud of the intricate steps and patterns these girls have performed with endless energy. The drill team has been, and will most certainly continue to be, the spark of enthusiasm which helps to bind M.H.S. together.

OPTIMUS

NATIONAL HONOR SOCIETY

Optimus, supervised by Mr. Rudy Kovacevich, is a growing society spirited by high ideals. The chapter members with their loyalty and enthusiasm have worked hard to support the school. Initiation for probationary members has become a set tradition. This year it was held on the fifteenth day of December. Thirty-one new members were initiated. Through unyielding ambition, they have set a high scholastic standard which has placed Meadowdale High School far beyond others.

From left to right: Cheryl Jennings, Treasurer; Linda Misuida, Secretary; Scott Haskins, Vice-President; Kevin Brechner, President; and Mr. Rudy Kovacevich, Advisor.

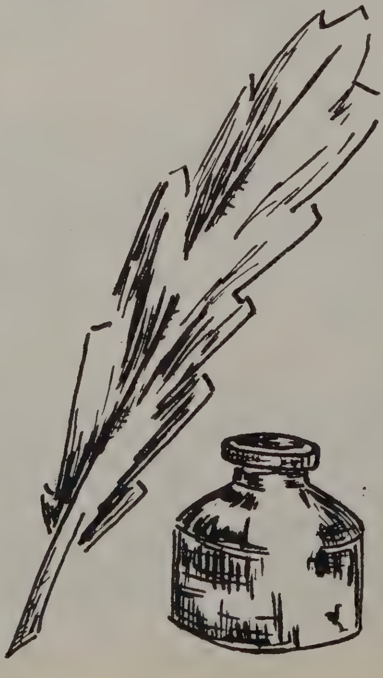
QUILL AND SCROLL, an international journalism society, is designed to honor outstanding journalistic students. Under the excellent direction of Mrs. Nancy McCracken and Mrs. Marion Koluda, the members strive to do their very best outstanding and creative work. These students have worked hard to make our CHIEFTAIN and MESIKA successes, and it is to them that we owe deep gratitude and respect.



DEBATE

Because of his sincere efforts and his honest attitudes, Mr. Lynes King has again advised and supervised the active debate team of MHS. Each day he instructed the students as to the requirements and abilities that make a strong character as well as a debater.

Meadowdale High School's accredited Debate Team has spent many hours in preparation for extemporaneous speaking, impromptu speaking and oratory engagements throughout the state. In their efforts to gain high recognition for MHS, they needed the strength, ability and willingness to teach them that Mr. Lynes King so generously supplied. The valuable opportunities set before them were a great challenge as well as a great reward for the school and for themselves.

Kevin Brechner, an outstanding debater and oral speaker, has contributed time, energy and resourcefulness to the MHS Debate Team.

MHS Debaters, along with Mr. King, are Kevin Brechner, Chris Nickolson, Barb Norman and Candy Stratton.

From left to right: Mrs. Viola Walls, Advisor; Linda Misuida, Secretary; Pat Echelbarger, President; Ted Nelson, Sergeant-at-arms.

Spirit is an important part of the liveliness of Meadowdale High School. In its third year as a school organization, Firewater has worked to promote pep and school spirit among the students. It has been the foundation of many of this year's functions and has pushed many more to success.

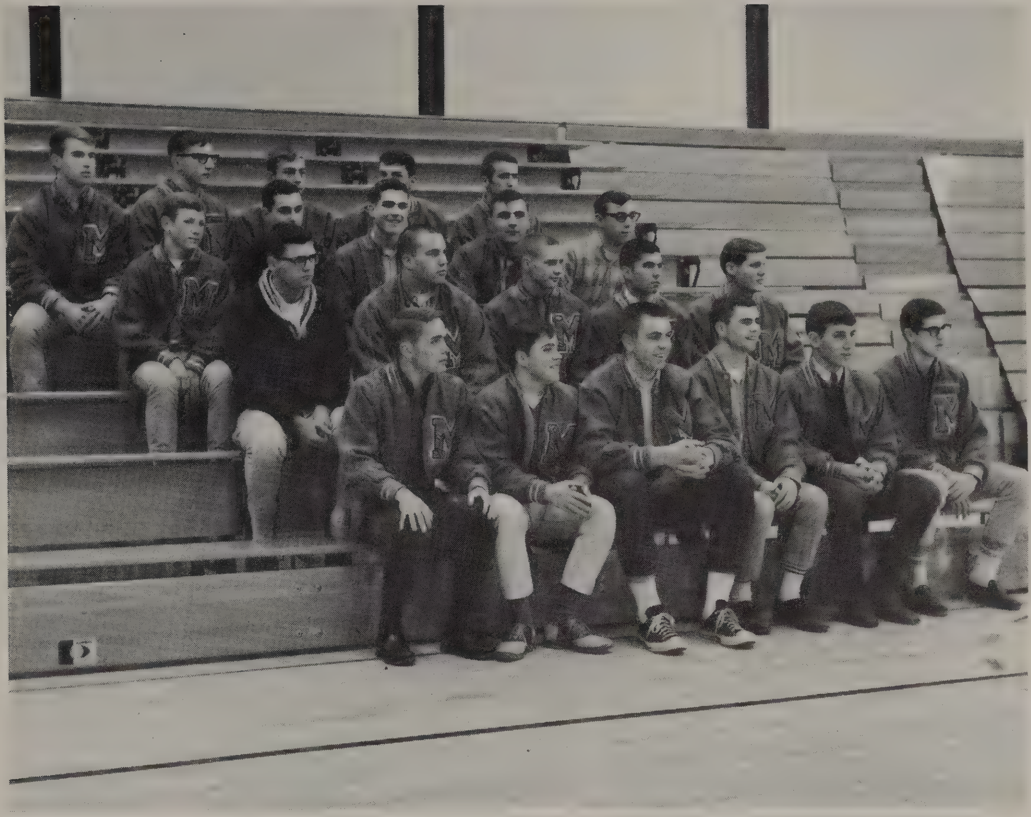
VARSITY CLUB

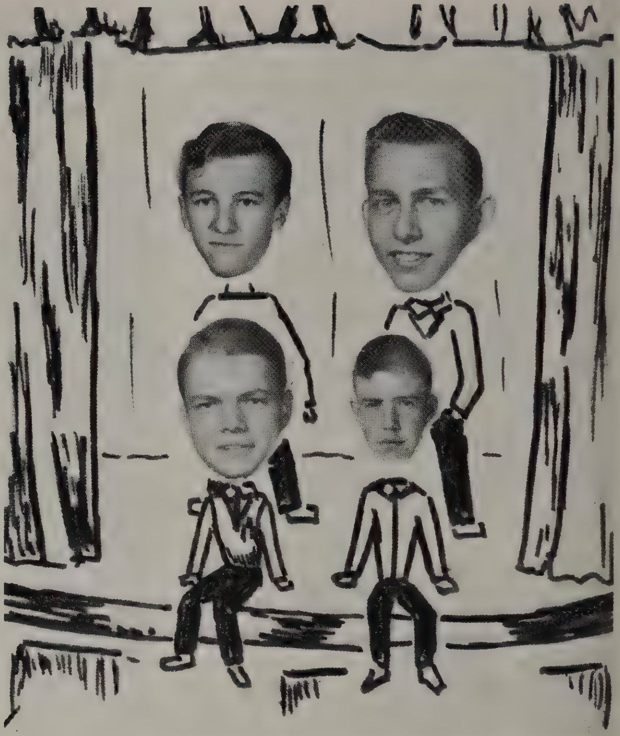
Varsity Club is a honorary society for sports lettermen. Members of the club perform various services for MHS such as ushering at football and basketball games. Officers for this year were Tim Tuura, President; Pat Echelbarger, Sergeant in Arms; Ray Paine, Treasurer; and Rick Doty, Secretary.



DADS' CLUB

Students at MHS are deeply grateful to their Dads' Club. This is a unique organization because it has only two officers, no constitution, no by-laws, no dues, and no regular meeting dates. All their work is done by committees and over the phone. Dads' Club has been responsible for the sports banquet (above left), the rooter train (above right), the Christmas decorations at Wilcox Park in Lynnwood, and for raising money for scholarships. All these activities have been completed by MHS Dads. As Mr. Jerry Karnofski, the secretary and treasurer, stated: "Dads will work and not meet!!"

Mutts include: Glenda Smith, Gerry Ritchey, Paul Kraus, Marie Robbins, and Barbara Lane.



Stage Crew members include: Steve Abbott, Dave Langevin, Tim Weller, Jim McCann.

Always behind the scenes

Athletic events and other functions at Meadowdale have run more smoothly this year because of Meadowdale's ushers and ticket takers. Mutts have performed a fine service to the school.

The members of audio visual have worked hard setting up and operating the A.V. equipment throughout the year.

Dramatic productions at Meadowdale would not have been possible without the help of the stage crew. With their spirited help behind the scenes, it has been possible for Meadowdale to produce many fine programs this year.

SERVICE CLUBS

A.V. members include: James Henness, Larry Walker, Bob Berstler, Tim Steeld, Bob Jungers, Dean Coker, and Cliff Emanoff.

INTERNATIONAL CLUB OFFICERS

Buenos Dias!

здрâвствуй

Bonjour!

Guten Tag!

President—Kris Manus, Vice-President—Don Whittlesey, Secretary—Barb Baumgartner, and Treasurer—Karen Singhrs.

Mrs. Meyers, one of our Spanish teachers, presented and developed, along with other foreign language teachers, the Innocents Abroad Club. The club is designed for French, Russian, Latin, German, and Spanish students to gather once a month and present their language in a program. The club will help widen the scope of knowledge of each language.

The popularity of skiing can be shown through the growth of our ski club. Ski Club has shown its strength through successful doughnut sales to raise enough money for a ski trip.

F. T. A.

Future Teachers of America is supported by students planning to enter teaching careers. The members have worked hard taking part in activities concerning the educational field.

MEDICS

Students interested in the medical field have formed a new club at MHS. Medics (Meadowdale enthusiasts of Doctors, Incisions, and Scratches) has furthered interest in medical careers with special club meetings, field trips, and guest speakers in related fields.

Mr. Ayers

Mrs. Parris

Mrs. MacGilvra

Krag,

youre really a sweet guy.
I'm glad we had a chance
to be with each other once during
the school year. Remember I hope
ya have lots of fun this summer.
Don't have to many parties. Don't
think about girls - they're all to
much trouble.

Throughout the past three years Meadowdale has been developing its academic and extracurricular traditions. The teachers as well as the students have enthusiastically taken part in this development. Many times they have gone beyond the duty of teaching to guide or advise us. They have given up their spare time to supervise our clubs and have actively taken part in our many functions and activities. A sense of pride and loyalty has aided our faculty in guiding the students of MHS.

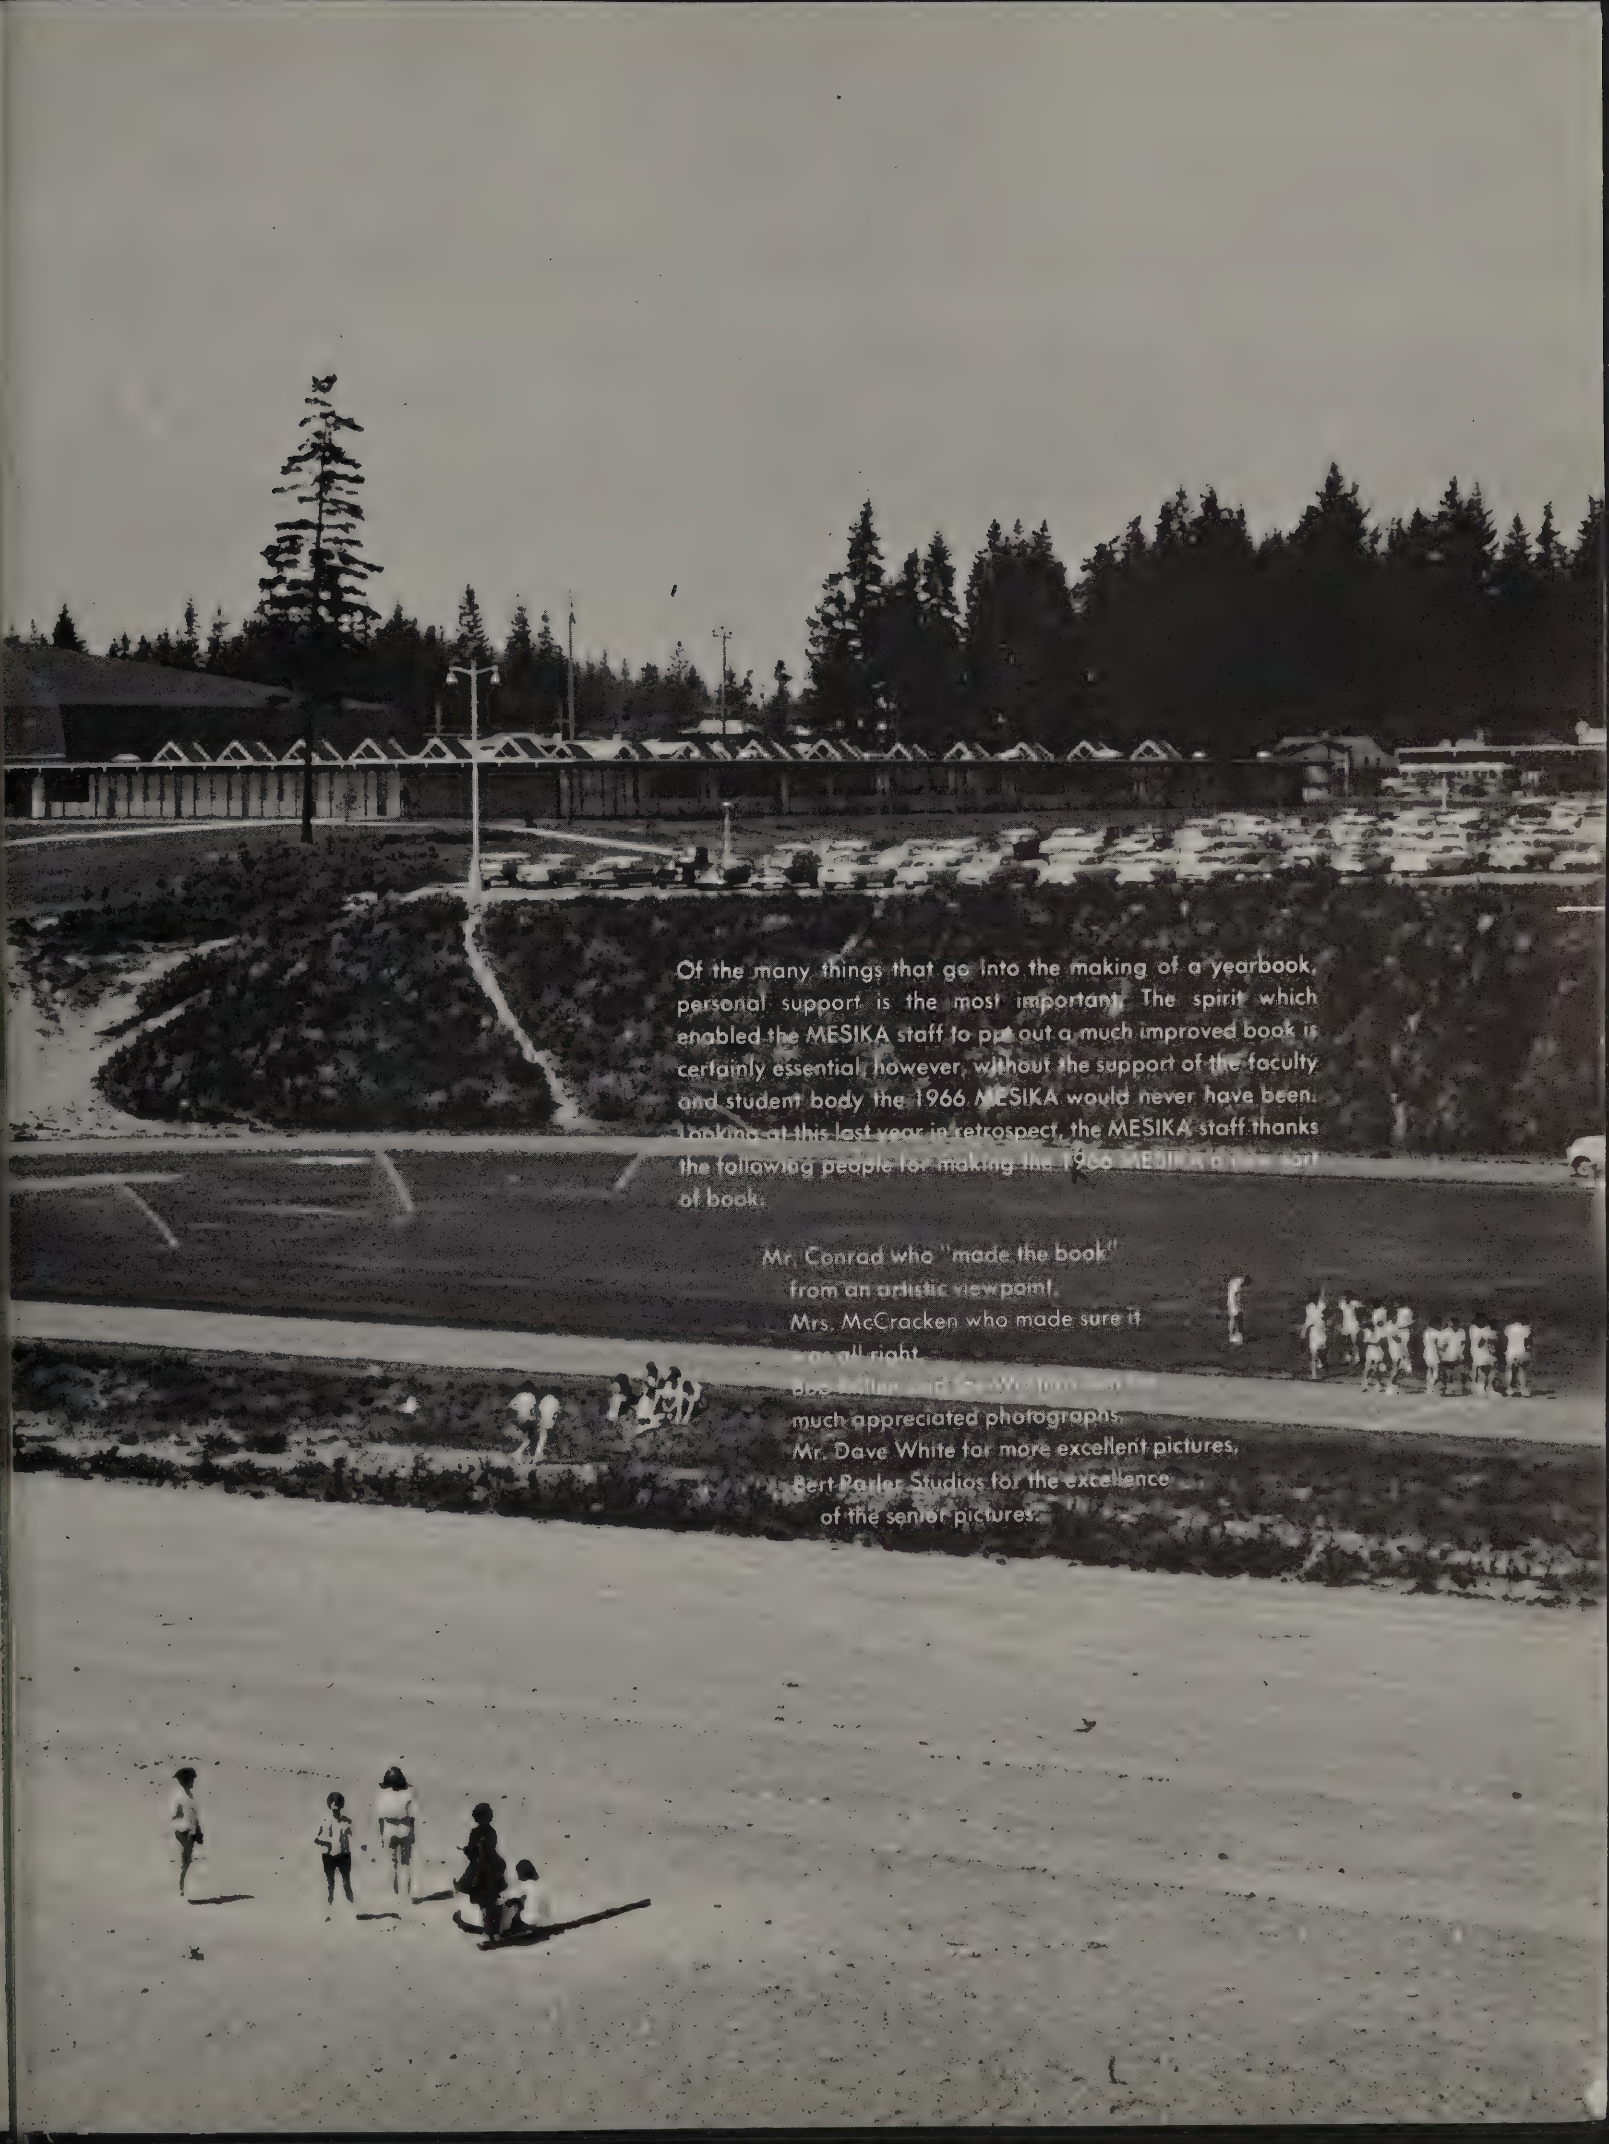
BERT PERLER STUDIOS

Official Photographer for the MESIKA



Of the many things that go into the making of a yearbook, personal support is the most important. The spirit which enabled the MESIKA staff to put out a much improved book is certainly essential, however, without the support of the faculty and student body the 1966 MESIKA would never have been. Looking at this last year in retrospect, the MESIKA staff thanks the following people for making the 1966 MESIKA a new sort of book.

Mr. Conrad who "made the book"
from an artistic viewpoint.
Mrs. McCracken who made sure it
was all right.
Bob Miller and [illegible] for
much appreciated photographs.
Mr. Dave White for more excellent pictures.
Bert Parler Studios for the excellence
of the senior pictures.

Due to some exceptional hitting by Bruce Shreve throughout the season and workhorse pitcher Dennis Tibke, the Meadowdale baseball team produced a winning season. The Chiefs came on strong during the end of the season and won their last 6 out of 8. Bruce Shreve was the leading hitter with a 3:21 average, and Pat Echbarger was elected honorary captain. With Van Lang, Andy Botin, Richard Weight, Tony Backes, Mike Chastain, Dave Johnson, and Bruce Shreve returning, Meadowdale should be represented well in baseball next season.

This year our track team has been one of which we can be very proud. They have worked very hard, whether winning or losing.

Meadowdale sent eight boys to State, second only to Renton who sent nine. At State, Paulson placed sixth in the javelin with a throw of 179'5".

School records were easily broken this year also. Larry Paulson threw the javelin 180'9"; Ray Payne pole-vaulted 13'7"; and Greg Rice ran the 880 in 1:58.1, all bettering previous years. Besides these, Steve Horning deserves recognition for the mile, running it in 4:26.2.

GIRLS' CLUB HAS SPRING PROJECTS

On May 11, mothers came wearing hats to the Mother-Daughter Tea, whose theme was "The Mad Hatter". The home ec. department entertained with a fashion show. New Girls' Club officers and committee chairmen were announced.

Another Girls' Club activity was the Dad and Daughter Dinner, held on April 22. Girls and dads came to have a delicious meal and to see slides of the Near East. The combination of good food and interesting entertainment made the evening a great success.

Girls' Club Officers, above: Janet Westerlund, Carrol Hastings, Barb Baumgartner, Susie Harter, Susie Henderson, Barb Emel, and Kathy Coan.

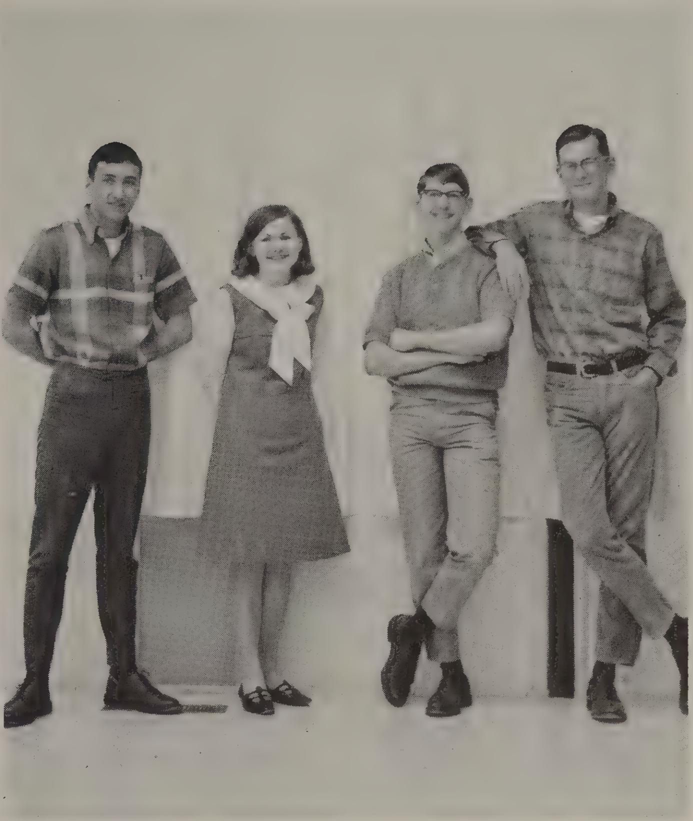
Girls' Club Committee Chairmen, below: back row Kathi Filbin, Sheila Page, Jeanette Schurr, Karlota Rosebaugh, Chris Hawley, Robin Pittis, Susie Henderson, and front row Barbara Baumgartner, Karen Singhrs, Mary Hudson, Marlene Maxwell, and Chris Bayer.

Estella Bence, sponsored by Lynnwood Rotary, spent the second semester of this school year at MHS. In the spring IRL held a reception honoring Estela. She showed slides of her native Argentina. As our second foreign student this year, Estela has been an able and likable ambassador of good will.

Model United Nations officers, below: Robin Miller, secretary; Robin Acker, vice-president; Paul Andrews, treasurer; and Barb Dart, president; will lead the club next year in its many activities.

IRL AND MUN

Among them are receptions and frequent trips to other cities for MUN conferences.



International Relations League officers for 1966-67, left to right: Les Savitch, treasurer; Sheila Page, president; Ken Jennings, vice-president; and Jim Vaughn, secretary. IRL activities this spring included IRL week, a week of fund-raisers to benefit next year's foreign student. The week culminated with a dance on Friday night. IRL also sponsored a foreign student day, when foreign students from the Seattle area visited MHS.

WELCOME ESTELA

For the second year in a row, a musical production proved to be a huge success. **The Boys From Syracuse**, under the direction of Mr. William Crossett and student director Carolyn Bethell, was presented to a large audience on April 1 and 2. **The Boys From Syracuse**, based on a Shakespearean play, **A Comedy of Errors**, was the story of two sets of twins and their mistaken identity.
